Spring 2020

REGISTRATION

INFORMATION

ABOUT THE PROGRAM

Established in the fall of 2007, the Theatre Enrichment for Children program is designed to encourage children in grades 1-3 who are interested in reading, art, and/or acting. Participants will work as a team to bring a story to life. They learn basic acting techniques and choreography, participate in creating set designs and costumes, and learn by doing!

This unique program and our original productions help to foster communication and cooperation, as well as increase self-esteem. It is designed to enhance the talents of all those involved.

For 10 years and counting, TEFC has provided its program to over 1,500 children throughout three school districts. It has been an outstanding experience for participants and directors alike!

INSTRUCTORS

Madlyn Mignone: Founder, President & Director of TEFC /Lincoln School PTA President 05-07; Co-founder Girl Scout Troop#1329 '03-'06; Assistant on Independent Films: "Brooklyn Roses" & "Metropolitan Avenue"
